

Giles Brook School Governor Awards

Hi Everyone!

The Governor Award nominations got underway on the 30th November 2021 and it was so wonderful to see the level of participation and read all the fabulous reasons people gave for their nominations!

A big **THANK YOU** to everyone who took the time to complete a nomination form.

We think it is so special that each nomination comes directly from the children themselves and it is fabulous to read all the wonderful things they have to say about the people at Giles Brook School. The question we focused on for the awards this time was: -

'Who has inspired you to try something new?'

We looked through all the nominations we received, and we made sure we read each one carefully – because the reasons for the nominations are so important!

With that in mind, we are happy to announce the certificate winners below: -
