

November 2021

Giles Brook School Governor Awards

The Governors are excited to be back with The Governor Awards!

You may remember that every term, the children are given the opportunity to nominate a student, someone from the teaching staff and a member of the support team that they feel has demonstrated the aims and values that we hold dear to our heart at GBS.

A voting form is sent out on Google Classrooms each term so the children can spend some time thinking about who they'd like to nominate.

The Governors consider all the nominations and the winners for that term will receive a certificate, a mention in the newsletter and a big THANK YOU!

Keep an eye on Google Classrooms where there will be voting form posted on Friday 19th November 2021 and the question to consider this term is: -

'Who has inspired you to try something new?'

Perhaps you can take some time to discuss this with your children? Encourage them to think about the whole community at GBS when deciding who to nominate – students, teachers, office staff, the cleaning team, the lunch team, volunteers, coaches and anyone else you can think of! Whether they interact with them a little or a lot is fine, it's an opportunity to recognise those that really make a difference to Giles Brook School!

Thank you so much for your support! We really appreciate your participation!
