

Year 1 Knowledge Organiser

Geography: Home Sweet Home

**I already know:**

- How to observe and record weather over a week in autumn and winter.
- How to identify typical weathers for different seasons in the UK in autumn and winter.

**Useful web links**

Key Vocabulary	
seasons	The year is divided into four <b>seasons</b> : spring, summer, autumn and winter.
observations	What you notice when you look carefully at something.
record	Keep information about something that has happened, e.g. in writing or pictures.
temperature	A measure of how hot or cold something is.
thermometer	An instrument used to measure <b>temperature</b> .
United Kingdom	Made up of England, Northern Ireland, Scotland and Wales. Sometimes known as the UK.

Countries around the world have different **climates**. Countries near the equator have hotter **climates** and the Arctic and Antarctic have much colder **climates**. **Climates** can **affect** many things, such as which plants can grow. Many animals are specially adapted to the climate they live in.
