### Book Swap

As part of our World Book Day celebrations, we are holding a 'Book Swap' event! We would like the children to have a look at home to see if they have a book that they no longer read. If they find one, they can bring this book into school and give it to their class teacher on Wednesday 6th March 2024.

The books will then be collated in Year Groups and any child who has brought a book in will then be able to choose a new book to take home on **World Book Day – Thursday 7th March 2024.**

Books should be in a good condition with no missing pages and appropriate for your child's year group.

This will be a fantastic opportunity for the children to access some new and exciting reading material without any cost and it is also great for the environment! There is no expectation that all children take part in this event but please note, they will only be able to choose a book to take home if they bring one in to swap.

Our School Council have asked their classes what they would like to do for Red Nose Day on the 15th March. The majority of pupils across the school would like to wear their own clothes but to also bring a teddy to school for the day (please make sure 'special' teddies do not come in as we would hate anything to happen e.g. lost or damaged).

We ask that a minimum donation of £1 is either paid online or brought into school. Thank you for helping us to support this very worthwhile charity.
